Executive Director's Note

Happy Almost Fall,

The last month has gone so fast, I can't believe September is already here! Over the past month, the team here at MoNTH has been busy moving forward on projects and prepping for two important dates, one coming very soon and the other right around the corner!

Thursday, September 5th is Texoma Gives, an incredible day of giving and celebrating our community's nonprofits and arts organizations. This year, I have set the ambitious but achievable goal of \$10,000 to help move the refresh of our exhibit spaces forward and to prepare for a major organizational milestone in 2025! I ask that each of you consider the Museum of North Texas History in your annual giving to this wonderful event.

March 21st, 2025, is our museum's 25th anniversary, and plans are underway for a weekend full of events celebrating this incredible institution's Silver Anniversary. 2025 will also feature special exhibits from our collection, Heritage Texas, and even the Smithsonian... so you won't want to miss it!

Finally, as always, thank you for your continued support of the Museum of North Texas History. As a nonprofit institution, we could not accomplish our mission without you. Thank you, and let's get moving for 2025!

Respectfully,
Jeremy L. Davis, M. A.
Executive Director
